## REMAIN FAITHFUL TO GOD

### PRAYER POINTS

- Give thanks and praise to our faithful God who can use anyone, even you, to fulfill His purposes.
- Acknowledge and believe His grace is sufficient for you and His power is made perfect in your weakness.
- Pray for courage to trust God's plan and to rely on the strength and power of Christ, not your own strength or the strength of man.
- Ask God to help you guard your heart and mind and to walk humbly with Him. Pray that you would not fall into spiritual complacency and idolatry in your successes and victories.
