PRAYING THROUGH

SEASONS OF WAITING

But as for me, I will look to the Lord; I will wait for the God of my salvation; my God will hear me.

Micah 7:7

PRAYER POINTS

- Give thanks God is near to you and hears your cry in the waiting. Ask Him to encourage you and help you remain faithful, even if you feel stuck.
- Pray to trust God is working in you despite what you may feel or see happening around you. Pray to resist the temptation to place your trust in anyone or anything other than God when you start to feel impatient in the waiting. Pray to rest in His faithfulness and the blessing that comes from trusting in Him.
- Thank God for preparing your testimony in the waiting. Pray for God to lift you out of the pit and place you on solid ground so you can declare His faithfulness to others.
