PRAYING TO

STRENGTHEN WHAT REMAINS

Wake up, and strengthen what remains and is about to die, for I have not found your works complete in the sight of my God.

Revelation 3:2

PRAYER POINTS

- Ask God to help you examine your spiritual condition and to identify where your faith and works can be reawakened, revived, and strengthened.
- Pray for God to rekindle the flame once more and to renew a steadfast spirit within you.
- Pray for strength to choose obedience over temptation and distraction.
- Pray that you would not neglect fellowship with other believers. Ask Him to help you seek out others who will strengthen you with encouragement and accountability. Ask God who you can come alongside of and strengthen as well.
